Financial assistance with costs associated with going on placement

e.g. accommodation, transport, immunisations, living costs

The MONSU Peninsula Placement Relief Fund is designed to provide students with financial assistance for the costs associated with going on placement e.g. accommodation, transport, immunisations, living costs. MONSU Peninsula recognises that students who go on placement can often face additional barriers to study due to competing time priorities and increased financial commitments. Successful applications for the MONSU Peninsula Placement Relief Fund are awarded subject to availability of funds. Students are eligible to apply once per semester for a payment of \$250, unless unexpected and extenuating circumstances apply.
